Based on the information provided by our suppliers, and to the best of our knowledge, DSM&T Co., Inc. designates that DSM&T Co., Inc. listed parts are RoHS Compliant and conform to the European Union Restrictions of the use of Hazardous Substances.

For these purposes, RoHS compliant means that:

1. Our suppliers have confirmed the compliance status of the relevant products to us.
2. We have implemented processes to confirm suppliers' statements and maintain relevant documents to support this.
3. If product(s) contain "CSM" Customer Supplied Materials, DSMT is not responsible for any claims pertaining to the CSM.
4. If Customer(s) direct DSM&T to use specific materials, it is the Customer's responsibility to provide the relevant information

To the best of our knowledge, none of our suppliers use these banned substances to manufacture their products. Our statements in this letter regarding RoHS compliance and lead content do not extend to, or apply to any product subjected to unintended contamination, misuse, neglect, accident, or improper installation.
